Congratulations to all who have continued to make our jobsites a safer place to work. We continue to beat the averages when it comes to workplace-injury incident rates. I am proud to be associated with such a dedicated team of professionals as you.

Based on OSHA averages for our industry, sixteen of us at Waco will be seriously injured on the job this coming year. Six of those will be out of work for some time because of the injury. Will it be you? Someone you work with? You can prevent accidents! Safe work practices must never be ignored. Please, do your part, for yourself, your co-workers and those that depend on you.

I wish you and your family a wonderful holiday season, and a safe, prosperous, and productive year.

Dan Walker, President
